## Leaving Cert Applied at Coláiste Bríde, Enniscorthy

10<sup>th</sup> June, 2024

Dear Parent/Guardian,

We are delighted to inform you that your daughter has been successful in her application for a place on the 24/25 Leaving Certificate Applied (LCA) Programme.

Please find below further details regarding the programme that your daughter will be taking part in next year.

### Work Experience Days

Please note that work experience will take place each Wednesday. We believe this will bring a structured and manageable routine to the school week.

### Text Books and Costs

Due to the practical nature of LCA we expect that students will not need to purchase any text books in advance of the academic school year and students will be provided with subject specific packs and materials throughout the year.

While there will be no LCA programme fee for this first year and course materials will be paid for by the school, we do however expect that there will be several field trips and outings over the duration of the course. We will do our utmost best to keep travel costs to the absolute minimum for our students.

### Induction Dates

Leaving Certificate Applied students will have an induction day on returning to school in late August along with the rest of their year group. All school correspondence regarding 5<sup>th</sup> year students will still apply to your daughter. Please keep a close eye on VS Ware for updates.

## Attendance in LCA

The two-year LCA programme consists of four half-year blocks called sessions. Success in the LCA is dependent on several factors. Credits for coursework, tasks, orals, practical exams and final state exams. Good school attendance is key to gaining these credits and we ask you to support your daughter in attending school as much as possible during all sessions.

If you have any question with respect to any of the above, please do not hesitate to contact the school.

We wish your daughter the very best as she embarks on her senior cycle journey and the Leaving Certificate Applied programme at Coláiste Bríde.

Warm Regards

---

Kiera O'Sullivan
